

FlashTags

Addition FlashTags

90 tags (standard addition table)

Set includes three 4" key chains (organized 30 tags per chain)

Side one presents a problem like $1+2$ and side two shows the answer with a colorful reward graphic (balls, animals, household items) except when the answer is zero, in which case side two will show no graphic.

Price: \$24.00

Subtraction FlashTags

54 tags (standard subtraction table)

Set includes three 4" key chains (organized 18 tags per chain)

Side one presents a problem like $2-1$ and side two shows the answer with a colorful reward graphic (balls, animals, household items) except when the answer is zero, in which case side two will show no graphic.

Price: \$15.00
